

the weekly melon

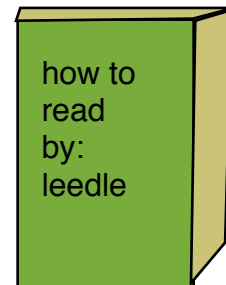

(not really weekly)

OUT TO LUNCH

unfortunately when we wrote this article it was on our lunch break. the end(doesn't that invisible sandwich down there make you hungry?).

HOW TO READ

Mr. Leedle Smedeian released his new book how to read . unfortunately the books are normally reported defective. (wonder why?)

EXPENSIVE HOUSE

some guy spent 1,000,000 pesos on a house . wow thats a humungous amount of money. (not really 1,000,000 pesos is equal to about 100,000 not much for a house)

MELONWORKS

Our newest game warlock is available in the melon shop Go now
